**Handy Broke Red Roan QH Experienced Trail Horse**

**\$ 7,800**

---

**Description**

\$7800 Deuce is a 14 year old, Red Roan, Quarter Horse that stands 15.1 hands. He came from Oklahoma where he was used for ranch work and to sort cattle. Deuce is confident and experienced out on the trails and rides just as well in the arena. He has crossed bridges, tarps, walks up/down hills and crosses ditches well. He has a nice trot and lope, picks up his correct leads, great stop and has a wonderful neck rein. Deuce would do well in fun shows as well. He loads and hauls quietly and has great ground manners. Picks up his feet with ease, stands to be groomed, tacked and fly sprayed. We will consider partial trades. We show by appointment only. Please contact us to schedule an appointment or for more information that is not in the ad/questions. Video coming soon.
