Grey Mule Gelding Trail Rides

\$ 3,000

Description

Queso, is a 12 year old, Grey, Mule gelding standing right at 13.3 hands. This is a cool mule. Queso is broke to ride and drive. He doesn't bat an eye at traffic and he will ride off alone with no problem. He will walk all day long if you want him too and has the cutest little jog as well as a smooth and slow lope with a little encouragement. Queso is the kind of mule you can leave in the pasture for a few months and pull him out to ride without missing a beat. He is very easy to catch with a little bit of grain and gets along with everything we have pastured him with. He stands great to be groomed, tacked, takes the bit well and for the farrier. We will consider partial trades. We show by appointment only. Please contact us to schedule an appointment or for more information that is not in the ad/questions.
