Red Dun Mare Mule Trail Rides

\$ 4,000

Description

Maggie is a 15 year old, Red Dun, mare Mule standing a little over 14 hands. Maggie is great out on the trails, doesn't mind traffic, barking dogs, crosses ditches and will cross water with a little patience from her rider. She has a nice neck rein and a good stop. Maggie is a little on the lazy side so she is happy to just walk along the trails. She has the cutest jog and a comfortable slow lope with a little encouragement. Stands good to be groomed, tacked, takes the bridle well and to be mounted. We will consider partial trades. We show by appointment only. Please contact us to schedule an appointment or for more information that is not in the ad/questions.
