Gentle & Laid Back Black QH Gelding Trail Horse

\$ 6,200

Description

Ollie is a 10 year old, Black, Quarter Horse gelding that stands a little over 15.2 hands. Ollie is gentle, laid back and has a sweet disposition. He will walk all day if you'd like and has a smooth jog and lope when asked. He has a good neck rein, stop and back and rides in a simple O-ring snaffle. We think Ollie would make a good lesson horse or he is ready to be your next trail riding partner. He is solid out on the trails and we haven't found anything yet that has spooked him. He doesn't mind traffic, will cross tarps, water, mud, etc. He is very easy to catch and has wonderful ground manners. He stands perfect for a bath, to be groomed and tacked and ties great. He does move around a little bit with fly spray but is getting better about it. We will consider partial trades. We show by appointment only. Please contact us to schedule an appointment or for more information that is not in the ad/questions.
