**Flashy & Gentle Spotted Saddle Horse Trail
Gelding**

\$ 5,950

Description

Patter is an 8 year old, Bay & White, Grade, Spotted Saddle Horse gelding that stands 14 hands. Patter is a confident trail horse that has went everywhere we have asked with absolutely no problem. He crosses water, mud, through brush and ditches like one is supposed to. Patter doesn't mind traffic, tractors, and you can shoot a gun off of him as well. He is a gentle gelding with a great personality and disposition. Patter will walk along slow, with a group or out alone. He has a nice slow gait that is smooth enough that you can sip a cup of coffee while riding and will pick up his speed when asked. Patter has wonderful ground manners. He stands to be groomed, bathed, fly sprayed, tacked, takes the bridle well and to be mounted. We will consider partial trades. We show by appointment only. Please contact us to schedule an appointment or for more information that is not in the ad/questions.
