**3yo Grey QH Mare Gentle & Gun Broke**

**\$ 5,200**

**Description**

Gracie is a 3 year old, Grey, Quarter Horse mare standing a hair over 14 hands. This is one laid back young mare that has the brains and potential to go in any direction. Gracie has a good start on her. She is light in the bridle, has smooth jog and lope, is beginning to neck rein and has a good stop and back. We have swung lariats on her, cracked whips, she will drag whatever you'd like right behind her and you can even empty a pistol or shotgun right off of her back! We honestly haven't found anything that bothers her yet. She gets along great with anything you put in the pasture with her. If we didnt own so many horses, she would be one that we wouldn't mind hanging onto. Gracie has wonderful ground manners and will stand to be groomed, tacked, for the farrier and to be mounted. You don't want to miss out on this sweet girl. We will consider partial trades. We show by appointment only. Please contact Daniel us to schedule an appointment or for more information that is not in the ad/questions. Video ????- <https://youtu.be/Md3-jYUVPqQ?si=EPazzpJTNIJQT1Yt>
